**All Medfly host fruit & vegetables (except cherries, citrus fruit, and grapes from specified areas) are Prohibited. See other pages of this summary for information.

Import Permit and Federal Phytosanitary Certificate required. All plant and plant products not listed as prohibited or unrestricted require a federal phytosanitary certificate and an Import Permit or a “contract of sale” which is similar to an import permit when the importer is a Government buying agency. The import permit will specify the import requirements.

Import Permits/ Contract of Sale (Contracts of Sale contain entry requirements for Government buying agencies) must be obtained in advance of shipments destined to the People’s Republic of China. The China Animal and Plant Quarantine Service (CAPQ) determines entry requirements on a case by case basis.

Import permits may be requested from:
Beijing Animal and Plant Quarantine Bureau
The People’s Republic of China
No. 241 Building Huixinxili
PostCode: 100029

If an import permit is presented, phone the main office.
Soil is Prohibited. Commodities should be free from pests of concern.

SUBSIDIARY INFO –

Phyto Inspection must take place within 30 days of shipment. See list of approved points of entry in PExD.

COMMODITY – Grapes

BOTANICAL NAME – *Vitis vinifera*

PRODUCT FORM – Fruit

PHYTO FORM – Fed

IMPORT PERMIT – No

RESTRICTIONS – Restricted

IMPORTANT NOTE: Grapes are allowed to be shipped from designated vineyards only from Fresno, Kern, Kings, Madera, Riverside and Tulare Counties. In order to export grapes to China - shippers MUST register with The California Table Grape Commission (559) 447-8350 (info@grapesfromcalifornia.com). Registration MUST be done well ahead of the shipping date in order for the approved list to be sent to USDA, to China for approval and to the County ACOs in the field. ONLY Companies (and City) names that appear on the carton label and that match the approved China Registration list may be certified.

ACO: Inspect 100% of all fruit from 1% of cartons approved for export. ACOs MUST check this list prior to certifying grapes to China and if the company is not listed, DO NOT CERTIFY the grapes. NOTE: It takes some time for China to add a shipper name and city to the approved list. Our main office sends out the most updated list to ACOs. If you have any questions, please ask your supervisor or the deputy.

SUMMARY INFO – Federal Phytosanitary Certificate Required. The shipment must be free from pest & soil. Each pallet should have a pallet tag. If upon arrival in China, identity of grower or vineyard on the cartons or pallet is not found, the shipment will be rejected. If the grapes from unapproved growers or vineyards are found on arrival, the shipment will not be allowed to enter. If the shipment transits a regulated Medfly area, the shipment must be in a sealed container.

NOTE TO EXPORTER: The packages should indicate the fruit name, origin county, name or code of packaging plant, grower/shipper in Chinese or English. **If going by sea, the container number MUST be written in distinguishing marks of the phyto. If going by air, the shipment must enter one of the two approved airports.**

AD Required:

“All fruit in this shipment complies with relevant regulations of the People’s Republic of China and originates from approved participating vineyards and counties.”

SUBSIDIARY INFO – Phyto inspections must take place within 30 days of shipment. Fresh fruit must arrive through the following points of entry: Airports-Beijing, Chengdu Shuangliu, Chongqing Jiangbei, Dalian Zhoushuizi, Fuzhou Changle, Guangzhou Baiyun, Guilin, Hangzhou Xiaoshan, Hefei, Jinan, Kunming Changshui, Nanjing Lukou, Ningbo, Pudong, Shanghai, Shenzhen, Taiyuan Wusu, Tianjin Binhai, Xiamen Gaoqi, Zhengzhou Xinzheng. Land border-Pingxiang, Shenzhen. Seaports-Fangchenggang, Lianyungang, Nanjing, Ningbo, Shantou, Shenzhen, Taicang, Wenzhou, Yantian.
