

KERN COUNTY PHENOXY HERBICIDE PERMIT CONDITIONS

I. GENERAL CONDITIONS

- A. Ester compounds shall not be used.
- B. All aerial applications shall be made with a drift control additive which is registered for such use by the State Department of Pesticide Regulation.
- C. No aerial applications shall be made within 1/4 mile of a susceptible crop (1/8 mile by ground) belonging to any person other than the owner of the property to be treated. Label restrictions concerning sensitive crops also apply.

II. RESTRICTIONS FOR APPLICATIONS WITHIN THE AREA DESCRIBED IN SECTION 6464(b)*

A. October 16th through February 20th**

- 1. Aerial and Ground Applications Allowed.
- 2. The general conditions will apply, plus any special conditions deemed necessary to prevent injury to nearby crops or plants.

B. February 21st through March 31st.**

- 1. **No Aerial Applications Allowed.**
- 2. Ground Applications Allowed.
 - a. No ground applications shall be made on any area situated within two miles of any cultivated commercial vineyard planting belonging to any person other than the operator of the property being treated unless there is a continuous air flow (two to seven miles per hour) away from such vineyards. In no case shall any application be made within one-half mile of such vineyards.

C. April 1st through October 15th

- 1. No Ground or Aerial Applications.

III. RESTRICTIONS FOR APPLICATIONS OUTSIDE THE AREA DESCRIBED IN SEC. 6464(b).

- A. Air or ground applications are permissible, subject to any restrictions that may be imposed and subject to the general conditions.

Exemptions:

- 1. 2-4D used on citrus as a growth regulator is permissible all year.
- 2. Hand daubing or painting tree stumps to prevent re-growth is permissible all year.
- 3. Applications to landscape areas of one acre or less are permissible all year provided the application is away from sensitive agricultural crops.

* generally the western 1/2 of the county and an area surrounding Rosamond

** or grape vineyard break of dormancy - whichever occurs first
